## New Coaching Format

All our mini tennis coaching sessions take place on Mon, Wed and Fri evenings from 4.30pm to 6pm.

To make life easier for you and to make our mini tennis program as flexible as possible we will be coaching all the different age groups within the same session. This will allow us to move players from one group to another without changing their coaching night. Therefore if you are between 5 and 11yrs of age you can attend any or all of our coaching sessions.

We have also recognized that some of you would prefer to attend more than one session per week. We have changed our charges to encourage you to play more often. This is only open to members.

Your second session is charged at £3.00 per hour

Your third session is charged at £2.00 per hour

If you are interested in participating in a course please complete the application form on the reverse.
